What Flanders is doing – inter-federal agreement

IMKL 2.3

Flanders

Brussels capital region

Federal government

Wallonia

Re-use of “the model” in all Belgian government levels

Same model, same processes, “**model tranquility**”, same tooling?

What Flanders is doing – Group of 6

Netherlands, Danmark, Sweden, Finland, Norway, Flanders

International meeting, BXL, 31/01-1/2 2018

sharing knowledge and experiences, testimonials from construction and utility sector

Next event...

INSPIRE Conference 2018

Make it work together

See you in Antwerp
18-21 September

What Flanders is planning

Prepare project proposal to KLIP Steerco

Mapping project:

1. Utility information → IMKL → MUDDI

2. Utility information → MUDDI → PMKL → KLIP viewer!

Partners: Construction sector, utility sector, Flemish KLIP service integrators and other interested partners

Goals: feasibility, gap analyses, advice to KLIP project steerco
