

Nunatsiavut Government

**Summary of Data-specific Challenges Facing the Nunatsiavut
Government with Respect to Environmental Impact
Assessments**

Tyler Amos, GIS Specialist

Frédéric Dwyer-Samuel, Environmental Assessment Manager

NUNATSIAVUT
kavamanga Government

Nunatsiavut Background

NUNATSIAVUT
kavamanga Government

Challenge 1: Data is not accessible

Challenge 2: Data is not harmonized

Challenge 3: Incorporating Inuit knowledge as a complement to scientific knowledge and Nunatsiavut-specific data

Challenge 4: Asymmetries exist between different actors in the impact assessment process
